The Runes

	Forces that can help you down the path	Schroedinger's Rune (optional)
The Past	What's coming into being	Your Path
	Forces that are not worth resisting	

The Meanings

Position	Position Meaning	Rune	Anglicized name	Meaning
Left	This is history, and the past.			
Center	This is the present, or more correctly, what is coming into being			
Right	This is what will result if you follow down your current path. This path can be be changed, but if you continue down the current path, these are the results.			
Top	Forces that can assist you on this path.			
Bottom	Forces that cannot be resisted on this path.			

Discussion

{This is where you should talk about the runes, their meaning and position.}
